YOUR GUIDE TO PERFECT GIFTING!

Gifts Planet[®] made a humble beginning nearly two decades ago with the idea of providing a solution to all your gifting needs. When Founder and CEO, Mr. Jalan dove into the field of corporate gifting, he had only one aim in mind - to gift an experience. We soon emerged as a leading and trusted name having served a million happy customers. Modeled to enhance this experience, we took our expertise to e-commerce platform under the name **Tuelip**. Tuelip as a brand name, found its voice on some of the world's biggest platforms - Amazon, Flipkart, Snapdeal, PayTM and ShopClues.

Since 2002 We are providing customized and branded merchandise for all promotional needs of corporates in various industries. For Pan India & Timely delivery we are associated with Blue Dart courier who ranked No. 1 amongst Best Multinational Workplaces in Asia 2019.

Product quality and selection are key attributes. This is what we call the GIFTS PLANET Difference, which comprises :

- Innovative Ideas : We believe in rewriting history with our innovative ideas and the use of modern technology to breathe life into them.
- Dedication : Constant hard work and commitment helps us serve our customers on time.
- Team Work : Our team is the backbone of our company who support our vision and help us achieve them. The dynamics are enormous. You, sitting miles apart trust us with a simple click. A click gives my team responsibility, sets them running, packing joy. Its surreal!
- Quality : Inflation or deflation, we never compromise on quality. We not just ensure class but also strength and durability are kept in check.

We also Import customized products as per specific requirements of the clients with branding from China, Taiwan, Korea, Thailand.

This catalogue includes highlights of best selling and newest products the perfect selection of corporate gifting options for any occasion.
